

VISITATION ACADEMY FIELD DAY 2017

Dear Parents;

Field Day will be held Monday, June 12th, for Grades 5, 6 and 7 and Tuesday, June 13th for Grades 1 through 4. (Rain dates will be the 14th and 15th respectively.) Our Field Day consists of planned sports and activities.

The children are to report to school at their regular time. Children should bring their own water bottle and team color shirts. Shorts may be worn, however, in order to prevent injuries there will be events that require sweatpants. Please have both, you may wear them over the shorts.

We need volunteers to assist with running the games. If you would like to help, please sign the "volunteer" form below. Parents who have attended Protecting God's Children may assist. Also, please note below if your child is subject to asthma attacks, allergies, bee stings or any physical limitations that should be made known to the child's homeroom teacher.

All children will participate in Field Day unless a letter of explanation is sent to the teacher excusing the child. Thank you.

Sincerely,
Mrs. Famularo
Physical Education Director
