Re: **LIFENET Program**

This is the ninth year we are inviting **LIFENET** to speak to our seventh and eighth grade classes about the value of living a moral life. **The organization works within the Archdiocese of Newark.**

It is a well-known fact that our children are being exposed to a culture of immorality in many ways. Their conversations, comments, and language testify to the fact that our children are often misinformed and their “idols” or “models” are a threat to their moral development.

The presentation will be on Wed. May 22nd.

For additional information, you may visit www.lifeneteducation.org and/or call the school office.

Please sign and return the form below by Friday, May 17th.
