Re: **LIFENET Program**

This is the ninth year we are presenting the human development program presented by **LIFENET** to our eighth grade classes. The organization works within the Archdiocese of Newark and addresses issues regarding the **sanctity of life**.

It is a well-known fact that our children are being exposed to a culture of immorality in many ways. Their conversations, comments, and language testify to the fact that our children are often misinformed and their "idols" or "models" are a threat to their moral development.

The presentations will be on Wed. May 22<sup>nd</sup> and Thurs. May 23<sup>rd</sup>. The presentations include the Church teachings, the consequences of pre-marital sex, the development of the unborn child and aspects of the pro-life movement.

For additional information, you may visit [www.lifeneteducation.org](http://www.lifeneteducation.org) and/or call the school office.

Please sign and return the form below by Friday, May 17<sup>th</sup>.
