

Middle School Summer Retreat Plan

JOURNEY OF *Faith*

We all need to draw closer to God every day. If we really want to accomplish something, having a plan is the best way to start. On every slide there are different ideas of ways you can do this. Try to do something from every slide over the summer to help you to get closer to God.

Students entering Grades 7 and 8 refer to your Google Classroom where assignments are posted on.

Students entering grade 6 will receive their Google Classroom codes through School Messenger before June 21st.
